To Whom It May Concern,

Please let this letter serve as an endorsement of House Bill No. 5795 & House Bill No.5939.

I am NOT a pawnbroker, but am a Precious Metal Dealer with many years experience. I feel that both of these Bills are a step in the right direction in regards to the prevention of crime and furthermore to the elimination of the "hotel room boiler plate" gold buying operations.

Thank You,
Steven Goodman
